## A comfortable racker, recliner and roomy deluxe lounge all in one.

Just inflate and you're set. Elegant in any decor. For indoors and out.

You've found the best pleasant dream when this 22cm (9") thick cushion of air gently rocks you to sleep. Support the back of the recliner with the inflatable. Here 1.1m (36") in diameter will cushion. Now you have an elegant chair recliner in - perfect to settle down comfortably to read, chat, watch TV or to cozy get-togethers.

Just place the roll cushion in the foot end if you'd like to have a luxurious lounge to stretch-out on. Also ideal for sunbathing on the terrace or when camping. And you'll be the envy of everyone on the beach.

**Ready in 5 minutes (hand pump included).**

The lounging area as well as the head and foot sections have soft rounded edges which support you comfortably. Children love to curl up on it. The roll cushion is actually the inflated carrying bag. A ribbon and-clip loop is attached to the lounge to prevent it

from slipping away. When the roll is no longer needed, just open the valves to deflate it so it can be used again to carry your folded-up lounge.

Made of 0.8mm thick poly vinyl (PVC) in an elegant silver grey. Just roll down to sleep. Lounge measures 92 x 115cm (36 x 45") (W x L). The roll cushion is 70cm (27") long. Overall weight approx. 4.8kg (10 lbs). Bears up to 100kg (220 lbs).
